

KENT ORTEGO

I am a passionate and dedicated individual with a strong desire to learn and gain experience in web development. My dream is to become a senior developer and contribute to large-scale projects in the future. I believe that coding is an investment in my skills and knowledge, one that I am committed to growing and nurturing throughout my career. With a continuous drive to improve and stay updated with the latest industry trends, I am eager to take on new challenges and excel in the field of web development.
